

WAVERLEY PRIMARY SCHOOL

Inspiring today's learners to thrive in tomorrow's world

Dear Parents,

The school term has kicked off with a hiss and a roar. The classes have all started working on their inquiry of the human body. I am getting amazing facts shared about the lungs, liver and brain so far. It is awesome to have the students sharing their learning with me.

Congratulations to all of the students who have been entered into the weekly attendance draw. We have made a slight adjustment to the way the draw works. To now receive your prize, you must be present on the day of the draw as well as the week previous. If a student is not present and their name is drawn then we will redraw until we have a student who is present to spin the wheel.

Congratulations to all of our athletes who are competing in a variety of winter sports. We have 5 netball teams, students involved in a football team, rugby for Border is starting and also a basketball team in the year 7&8 competition starting in June. We also have an interest from children in the year 5&6 age group for basketball, but require a coach. If this is something that you would be interested in please contact the school.

Thanks to Rickie-Lee and the PFA for their efforts already this term. We have the Royal Disco tonight and the Netball Quiz next week. If you haven't got your team ready for the Quiz yet, please contact Gemma Comrie as she is taking the team enrolments. Further details on the back of the newsletter.

Have a great weekend everyone.
