

**WAVERLEY PRIMARY SCHOOL***Inspiring today's learners to thrive in tomorrow's world*

Dear Parents,

We have had a really enjoyable week here at Waverley Primary School.

Firstly, this week I want to thank Taranaki Basketball for our amazing new Basketball hoops on the tennis court. They are crazy cool! We have had so much interest in basketball from the students they are definitely worth the effort. Today we have our grand opening and will be visited by some New Zealand Basketball Royalty. Unfortunately, it is in the afternoon after the newsletter has already been printed but we will include some photos in next week's newsletter. We are still looking for someone to potentially coach a Year 5&6 Basketball team. You do not need to know too much about the sport, as coaching tips and assistance is available from Whanganui Basketball.

On Tuesday the Waverley Primary School Year 5&6 Hockey team competed at the Contributing School's Competition in Whanganui. What an amazing display of skill from our students. We had some amazing attackers and defenders in our team and managed to win Division 3. Congratulations to all of the team.

We are getting a large number of children who are attending school when they are ill. Some have been sick, the night before and some even in the morning of school. There are so many different bugs making the rounds at the moment that we need to be vigilant and help to protect the tamariki at school.

We have had a number of cases of headlice in the senior school this week. Please remember that children need to have their live lice and eggs removed before they can return to school. It is a long process to remove headlice but it is incredibly important to follow the process to break the cycle. This includes washing clothing and also bedding. The school has a limited supply of headlice treatment. Should you require any please contact the office.

Have a great weekend.

Tim Marriott

Term 2
