

**WAVERLEY PRIMARY SCHOOL***Inspiring today's learners to thrive in tomorrow's world*

Dear Parents,

It is really nice to see the sun again, especially after all the rain we have had lately. Both Mt Taranaki and Mt Ruapehu looked stunning on my drive to school this morning.

I would like to congratulate the netball teams that participated in the contributing school's netball tournament on Tuesday this week. I understand that the competition was fierce and both teams played very well. A comment was made that the social team played without fear which is awesome. I also want to congratulate the Year 7&8 basketball team who had their first match against a very well drilled Whanganui Intermediate team. It was a fantastic outing for our first game and the skill that some of our students showed was exceptional and noted by some of the whose-who of Whanganui Basketball.

I think that it is also timely to remind parents about being a 'good spectator'. Remember that not only the students are doing their best on the court or field, but so are the opposition and the referees. This might sound rich coming from me and I would be the first to admit that I am a very competitive person, but I have had to adapt and change how I view and interact at these competitions.

This week I had a call from the Ministry of Education regarding our improved student attendance. I want to thank each and every parent who is making an increased effort to get their children to school every day and to school on time. If you are having issues getting your children to school and require some assistance from the school please do not hesitate to contact me and I will see what we can do to help.

Lastly this week, a gentle reminder to ensure that your children are wearing shoes to and from school every day. With the colder months upon us we need to do everything we can to combat illness.

Have a great weekend.

Tim Marriott

### Term 2

- |                           |                                       |
