

**WAVERLEY PRIMARY SCHOOL***Inspiring today's learners to thrive in tomorrow's world*

Dear Parents,

This term has gone really fast. The classroom teachers have collected achievement data and are now in the process of writing mid-year reports. The reports will be going out at the end of this term and we will be having student led conferences in early term 3. If you would like to talk to your children's teachers prior to the student led conferences please make an appointment to see them either through email or through Gabrielle in the office.

The school has been really busy fundraising for senior school camps that are happening at the end of Term 2 and the beginning of Term 3. The Year 5&6 students are off to Mangatepopo in the last week of this term and the Year 7&8 students are heading to Rotorua in week 2 of Term 3. I want to thank each and every one of you who have supported the various fundraisers and also a special thanks to the parents who have volunteered to go on the camps. Without your help things like camps wouldn't be able to go ahead.

It is really good news that the Primary Teachers Union have agreed to their latest contract offer. We are aware that the PPTA union for secondary schools are still in negotiations with the government. If you have a child that is affected by rolling strikes and is not attending school, I ask that you ask them to stay away from Waverley Primary School during our school day. A visit to the office or the staffroom during a break time is fine but we can not have ex students attempting to interrupt lessons or sports trainings so they can chat with their friends.

In the last week of this school term we will be placing the time capsule in the ground until the 175th school jubilee in 2048. If you have any small items you think should be included please drop them into the school office next week. We will be sealing the capsule next Friday.

Have a great weekend.

Check out Kauri Hub

Kauri Hub wanted to introduce you to their class mascot Iwi the Kiwi. He goes home each weekend with one lucky student and gets to have lots of fun adventures! He has been going home with Mrs Lupton's students since way back in 2008! Check out some of the things Iwi has been up to so far this year.

Thank you, Jigsaw for holding these meetings in Waverley. It is a wonderful opportunity for our parents with no travel involved. If you would like to be part of these meetings once a week or have any other enquiries please contact Catherine on the number provided below.

Building Awesome Whānau (BAW)

A learning and support group for whānau caring for tamariki and children 0-12 years that draws on the unique wisdoms of Aotearoa. It provides space for whānau to share experiences and weave these together with a resource packed with stories and practical strategies. Resource developed by Parenting Place NZ

The group will explore:

- Laying the foundations – Building your family on aroha
- Parents are the roof – Protecting your whānau
- The walls of the whare – Boundaries to keep the good stuff in and the bad stuff out
- Keeping it sweet – Atmosphere is everything!
- Cool korero – Communication
- Outside the whare – Living in the big wide world.

**Starting: 1st August -
12th September 2023**
Time: 9.30am-12pm
**Venue:
Waverley School**

Just lots of useful stuff!
