

**WAVERLEY PRIMARY SCHOOL***Inspiring today's learners to thrive in tomorrow's world*

Dear Parents,

Earlier this week I attended the Year 5&6 camp to Mangatepopo with the Kauri and Kowhai classes. What an awesome experience for the children. It was really interesting to hear that some of the parents on camp also went to Mangatepopo when they were similar ages as their children. The new custodians of the camp are interested if people have any photos from when you went to camp at Mangatepopo. If you do have some photos, please drop them into the office to be scanned.

The school term has really flown by and it is especially busy at the end of the term. Currently in the school we have a team of electricians installing new heat pumps into the classrooms. I want to thank all of the children and staff for being so resilient as there are a lot of interruptions and disruptions with the electrical works. It almost feels like they are everywhere at the same time. The installation will be finished throughout the holidays and ready to go as soon as the children come back from the term break.

We have been advised by the Public Health Nurse there are several cases of strep throat in our community. Please check out the flyer on the back of the newsletter and the website you can visit for further information on this.

The school holidays start on Saturday 1st July and Term 3 starts on Monday 17th July. We will be starting our cross-country training in Term 3. More information will come out to parents in the first newsletter of next term. Children will need to ensure that they have suitable clothing and shoes for running in all weather.

Have a wonderful term break everyone.

Tim Marriott
Principal

Term 2

- Mon 26-Fri 30 June**
- Mangatepopo Camp Y5&6
 - Reports go home
 - Term 2 finishes

ASSEMBLY - No assembly this week

WEDNESDAY 5 JULY

Te Iwa o Matariki -

Nine Stars of Matariki

10.30am - Patea Library Plus
