

WAVERLEY PRIMARY SCHOOL

Inspiring today's learners to thrive in tomorrow's world

Dear Parents,

I hope you all managed to have a bit of a break during the school holidays. Now having a school age child, I can see the appeal of children going back to school after the two-week break, unfortunately it also means that I have to go back to school also. We have had a really busy end to Term 2 and start of Term 3. Our Year 5 and 6 students had a wonderful camp to Mangatepopo in the last week of Term 2. It was really nice to join them on the first two days of camp. The Year 7 and 8 students will be going to their camp in Rotorua next week, being the 24th-28th of July.

The first week back started with a hiss and a roar. We had 5 different members from the Taranaki Airs come and complete three training sessions with our basketball team. This is the first year that we have competed in the Whanganui basketball competition. The training sessions proved to be very useful for the team. Hopefully we will get the opportunity to put the skills into use in our next game.

On Monday this week, June Lupton helped place the time capsule in the ground to be opened in 2048 at the school's 175th Jubilee. There are some very interesting items to be unearthed in 25 years. Thank you to everyone who provided items to be buried for the next 25 years in a stainless-steel box. I want to thank Barry Bridson for donating the box to be buried and Henry for digging a beautiful hole.

Now that it is Term 3 we have started our cross-country training sessions. We are looking forward to holding our cross-country running event later in the term. Fingers crossed that it is a nice sunny day this year.

Finally, this week I would like to remind you all that the school is closing at 12pm on Wednesday 2nd of August for Student Led Conferences. If you have not yet booked your conference please do so as soon as possible through the SkoolLoop app.

Have a wonderful weekend everyone.
