

**WAVERLEY PRIMARY SCHOOL**

*Inspiring today's learners to thrive in tomorrow's world*

Kia ora e te whānau,

Our Student Led Conferences are being held over two days next week. These are an important opportunity for students to share their learning and next steps with you. Thank you to all those that have booked these on the Skool Loop app already. If you haven't yet, please do so. Our teachers can be flexible if you need to book an alternative time that suits your needs better. **A reminder that school closes early on Wednesday August 2<sup>nd</sup> at 12pm, so conferences that day can run for the whole afternoon. Our van and buses will run at this time also.**

Our Year 7/8 students are enjoying their action-packed camp in Rotorua this week. A lot of work goes into planning and coordinating our school camps. So thank you Mrs Munro for all the effort you have put into planning this one.

After a successful two terms working with a group of Year 5/6 students, Ms Saunders started her Year 3/4 gymnastics group after school this week. The new group of students thoroughly enjoyed it and are lucky to have this free, local opportunity provided by a staff member.

Last term, Georgie Lupton and I worked together on applying for a grant with the McBroom Estate Trust. Our idea was to install five purpose built exercise stations situated on our school field that both our students and community can use as a fitness circuit. We are thrilled to announce we were successful in securing the funds and would like to thank the McBroom Estate for allowing us to undertake this project. Jamie Robertson will be completing the building work for us later this year.

Our three senior classes are participating this year in fortnightly wellbeing surveys. These are quick check ins that ask the students a variety of questions to give us information on how they are feeling socially, emotionally and physically. These are proving to be very valuable to teachers. It is wonderful to know that we have happy, confident students here at Waverley Primary that feel secure and safe in their school environment.

Rehearsals are now underway for this year's school production titled 'The Amazing Adventures of Superstan'. We had an incredible number of students audition for individual roles, right through from Year 3 to Year 8. The cast of over 40 has done a fantastic job of beginning to learn their parts, with some of our leads having upwards of 50 lines to learn. There will be more information regarding show times and buying tickets later in the term.

We look forward to our campers returning tomorrow. And everyone have a lovely weekend.

Hannah Lupton  
Deputy Principal

	<b>Term 3</b>
