

**WAVERLEY PRIMARY SCHOOL***Inspiring today's learners to thrive in tomorrow's world*

Kia ora e te whānau,

Thank you to everyone who participated in the school Gumboot Friday appeal. We managed to raise \$140 to go towards counseling for children who need it.

On Tuesday this week we held our Speech Finals at school for year 5 - 8 students. We had a large number of excellent speeches this year and the calibre of speakers was excellent. I wanted to congratulate all of our finalists for their hard work and also thank Carl Bates (our local MP) for assisting with the judging. It was a very difficult job to pick the winners.

Tomorrow we are having our pet day and mini gala. This is an opportunity for parents, whanau and community members to come along and have a bit of fun in the afternoon. There are a number of activities that children can participate in. Please remember that the activities will require you to purchase tickets, as cash will not be accepted at the stalls. Tickets can be purchased from a station on the senior block decking outside Kowhai Hub from 12 noon.

At the pet day we are also asking parents for some feedback about our school's strategic direction. This is an opportunity for you to have your say about what our school is doing well and what we still need to work on. This display will be set up in the library. Please take some time to have your say. Your thoughts and opinions are important to us and this is a great time to provide us some feedback.

Our athletics programme has started this week. The students have been rotating around the different events in their age groups. We will be having the school athletics on Tuesday 5<sup>th</sup> December.

Children are encouraged to wear sunscreen by the staff but it would also be helpful if parents could also encourage their children to apply sunscreen. Sunscreen is available in all of our classrooms.

Have a great weekend.

Tim Marriott
