

WAVERLEY PRIMARY SCHOOL

Inspiring today's learners to thrive in tomorrow's world

Kia Ora e te whānau,

Firstly, this week I would like to thank all of the parents who attended the Greet, Meet and Eat evening held on Tuesday evening. It was great to see so many of you there. I think it was the best turn out of parents yet. Just a reminder to parents that if you have any further questions regarding the operation of your child's classroom please contact their classroom teacher via email or pop in afterschool to make an appointment with them. Appointments with teachers could also be made via the school office with Gabrielle.

The school is in the process in administering a new Student Management System. It is called Hero. There are some big changes for the staff in the way that we administer the roll digitally but there are no changes to the process for parents. Please contact the school office with absence notices. If you are contacting your children's teachers directly, please also send an email or txt to the school office. This will prevent you receiving a txt alert from Hero asking why your children are absent.

There are quite a few notices that go home throughout the year but the start of the term is especially busy. Please ensure that you get the notices back to us as soon as possible. This helps to ensure that all information is getting to the right people. Currently there is information about school lunches, Junior and Senior Cluster Swimming, Year 5&6 school camp, School photos and also sports notices. If you are missing information regarding any of these events please check in with the Skool Loop app and then the classroom teachers or the office.

Next week the Year 5 and 6 students from Kauri and Kowhai classes are heading off to camp. Thank to all of the parents who have taken time off work to attend the camp with the class. This is a great experience for the children. Thanks to Hannah and Megan for all of the mahi that has gone into the organisation of the camp. I am sure you will all have a great time.

Have a great weekend

Tim Marriott

Principal's Awards

Benji Kiff

A fantastic start to 2024.

Kieron Librado

For being a devoted and hard-working student.
