

**WAVERLEY PRIMARY SCHOOL**

*Inspiring today's learners to thrive in tomorrow's world*

Kia ora e te whānau,

Yesterday we had a visit from the Property Brokers and MTF 'Pack the Bus!' team. I want to thank everyone who supplied items for the collection. The team were stoked with the amount of goods that were donated from our school community. I also want to thank Krista Adams for bringing this opportunity to our school. It is definitely something that we want to get involved with again next year.

Last week our Waverley Primary School golf team competed in the first edition of the Kerry Rees' Cup. They competed against three other teams in a hard-fought Ambrose golf competition that went down to the wire. The Waverley team won by a margin of 0.2 which was incredible. Congratulations to Max Amon, Wesley Smith, TK Bradley, and Mason Kemp for their efforts. Kerry was a passionate golfer and had a huge interest in junior golf. He would have been incredibly proud of our students. Thanks to Sally and Verna for also assisting on the day and a special thanks to the Waverley Golf Club for allowing us to hold the tournament. We are really looking forward to defending the cup again next year.

Every term we hold a sports awards assembly. This terms sports and cultural awards assembly will be held on Monday 11 December at 2:15pm.

The teachers have been very busy collecting student achievement data over the last couple of weeks. I am excited to be able to start the analysis component to see just how much progress students have made. The teachers are now beginning to put together the school reports for the end of the school year. These will come home with children on Thursday 14<sup>th</sup> December.

The staff and students wish Mrs Mitchell a speedy recovery for her upcoming knee surgery. Annette will be teaching in Tawa Hub for the rest of the term in Mrs Mitchell's absence.

Lastly this week I would like to announce that our school prize giving will be held in our school hall on Friday 15<sup>th</sup> December. More information about the prizegiving will come out in next week's newsletter.

Have a great weekend.

Tim Marriott

### Term 4

- Mon 27 Nov - Technology Y7&8 - session 5
- Fri 1 Dec - Tough Kids
- Mon 4 Dec - Technology Y7&8 - session 6
- Tues 5 Dec - School Athletics
