

WAVERLEY PRIMARY SCHOOL

Inspiring today's learners to thrive in tomorrow's world

Principal's Awards

Kia ora e te whānau,

The staff have done an amazing job collecting the assessment data from all of the students over the last few weeks. I now have the exciting job of collating the data and reporting to the board and the community the achievement results of our school students. It is really pleasing to see the achievement of so many of our students. So many have made accelerated progress in all areas. I will share the results with you all at the prizegiving this year.

We announced last week that our school prizegiving will be held in the school hall rather than the Community Centre this year. Due to our hall being slightly smaller we are concerned about numbers attending. This week there is an important notice being attached to the newsletter regarding attendance at the school prizegiving. The results from this survey will determine where we hold the event. Please return the notice by Monday 4th December so we can finalise the prizegiving venue.

Next Tuesday we are holding our school athletics. This will be run even in inclement weather. Last year we had a bit of rain and rushed through the event as we needed to have the results for athletic awards. If there is the possibility of rain on the day and you are wanting to come down to watch your children compete, please be prepared for the possibility that the event will run ahead of schedule.

Throughout the year we have a lot of support from so many parents and members of our community. We would like to thank you all by putting on a morning tea for you on Thursday 7 December, at 10.20 am

Have a great weekend.
Tim Marriott

Isla Lance

For giving your personal best in all areas of your learning and always displaying our THRIVE values.

Jack Casey

For being a kind, hardworking student who is a role model to others.
