

WAVERLEY PRIMARY SCHOOL

Inspiring today's learners to thrive in tomorrow's world

Principal's Message

Thank you all for your support in collecting your children on Tuesday; this enabled our teachers to attend the **Paid Union Meeting** that was held here at school. Primary and intermediate schools nationwide are attending these meetings over the next few weeks. We will be sure to keep you all updated as information comes to hand.

Hopefully you are all enjoying your purchases from Anderson's - they are certainly handy to have in the freezer on these cold, dark and busy evenings! I would like to mention the hard work put in by **Ness Dickie and Belinda Price** - your time organising the huge number of orders we received was an amazing effort, thank you!

In the **first two weeks of Term 3, we will be sharing interim progress reports with whānau.** We had very positive feedback about these conferences last year - you have the opportunity to get the report explained to you and can clarify any wonderings on the spot. Interview booking forms will come home in the first week back after the school holidays.

We are very much looking forward to our **Black and White Disco this evening** - there will be dancing, competitions and yummy snacks galore! As an important safety reminder - we will keep all learners in the school hall until they are collected by a parent or caregiver. Please check the flyer for disco finishing times.

During lunchtime, our learners sit for the first 10 minutes to eat, and WOW, I have noticed a big **effort to reduce the amount of packaging and waste in lunchboxes!** Individual input may seem small, but together we have the power to make a big impact. Awesome work everybody!
