

WAVERLEY PRIMARY SCHOOL

Inspiring today's learners to thrive in tomorrow's world

Principal's Message

Waverley Primary School community swim and picnic.

We have had an amazing start to our school year and with this beautiful weather, we thought it would be a great opportunity to meet and mingle with the school community.

On Wednesday the 21st of February, come along to the town pool from 4.30pm until 6.00pm. Bring along a picnic dinner or Mr Moore will be on the BBQ cooking sausages for \$2 each. All school families and community members welcome.

This week we have been fortunate to have the **Life Education Bus** at school for the week. The sessions have been very informative and engaging for everyone involved. Many thanks to Harold and Mark.

This term for our inquiry unit we will be focusing on **reduce, reuse and recycle**. On Tuesday, we are having the launch session and this will involve us cleaning up our community. We will be out and about the streets of Waverley and picking up any dropped rubbish. We will then use this experience to help us with our learning. Rubbish bags and gloves will be provided. Please ensure children wear shoes to school on Tuesday.

We are all excited about round one of **Talent Time** starting next Thursday. BMX, swim club, art factory, animal care, game zone and extreme construction are some of the fabulous activities that are on offer.
